WHAT WILL YOU LEARN

CLASSIC LASHES

Classics are an amazing place to start if you are new to lash extensions or wanting a natural look. One lash extension is applied to each one of your natural lashes.

HYBRID LASHES

What if you want a little more coverage, but aren't ready for full volume? The answer is Hybrid eyelash extensions.

VOLUME LASHES

Volume lashes are used to improve texture, depth, and ampleness. Each volume fan is hand created to fit the desired look while maintaining the health of the natural lash.
